Screen 5

Step 5: Select Buy or Sell

Step 6: Select Order type as Limit Order (Limit Orders allows you to select a price at which you would like to purchase a security. When the security price in the market is equal to or lower than the limit price set by you, order will be executed.) **Step 7:** Enter the limit price at which you wish to buy or sell

Step 8: Enter the number units of security i.e. Quantity

Step 9: Select the settlement account that will be debited for buy order transaction amount and credited for a sell order transaction amount

Step 10: 'Good Until' allows you to select a date until which your order will be valid

Step 11: Click on review order

(PS: Please note that you can place an order only if you have a settlement account in the same currency as that of the security that is being traded. If you want to open a new settlement account, you may do so through 'Citi Global Wallet' module of Citi mobile app.)

Screen 6 – Important Documents Step 12: Click to open, read, understand, and agree on important documents Step 13: Read and acknowledge the disclaimers by checking the box Step 14: Click on 'Continue' button

Screen 6 Step 15: Review the order details Step 16: Click on 'Confirm order'

Screen 7 Step 17: Your order will be confirmed with a <u>Transaction Reference Number</u>
